SUBMISSION OF SUBSTITUTE DECLARATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Submitted herewith electronically is a Combined Declaration and Power of Attorney for Utility Patent Application as a substitute declaration to replace the Combined Declaration and Power of Attorney for Utility Patent Application filed April 22, 2005 to correct an inadvertent typographical error. In particular, the PCT international stage information was inadvertently in the wrong part of the original declaration. However, the USPTO has already listed the correct information regarding the international stage on the filing receipt.

Respectfully submitted,
